I can't believe Vegita's been killed too

But you're still being alive is the

But you're still being alive is the
silver lining on this dark time

Well you have that halo,
so you're not alive but...

Since you didn't die, uh you are dead but...

Since you didn't die, uh you are dead but...

That's giving me a headache!

You can only stay here for a single day right?

You can only stay here for a single day right?

You should still have a little time left

But I'm sure you could...

To tell you the truth I don't
think I could beat Majin Buu

To tell you the truth I don't
think I could beat Majin Buu

I can't defeat Majin Buu

Vegita and I were almost equally powerful...

Vegeta and I were almost equally powerful...

It didn't bother Majin Buu
when Vegeta sacrificed his life

I'm sorry but I don't think I could beat him

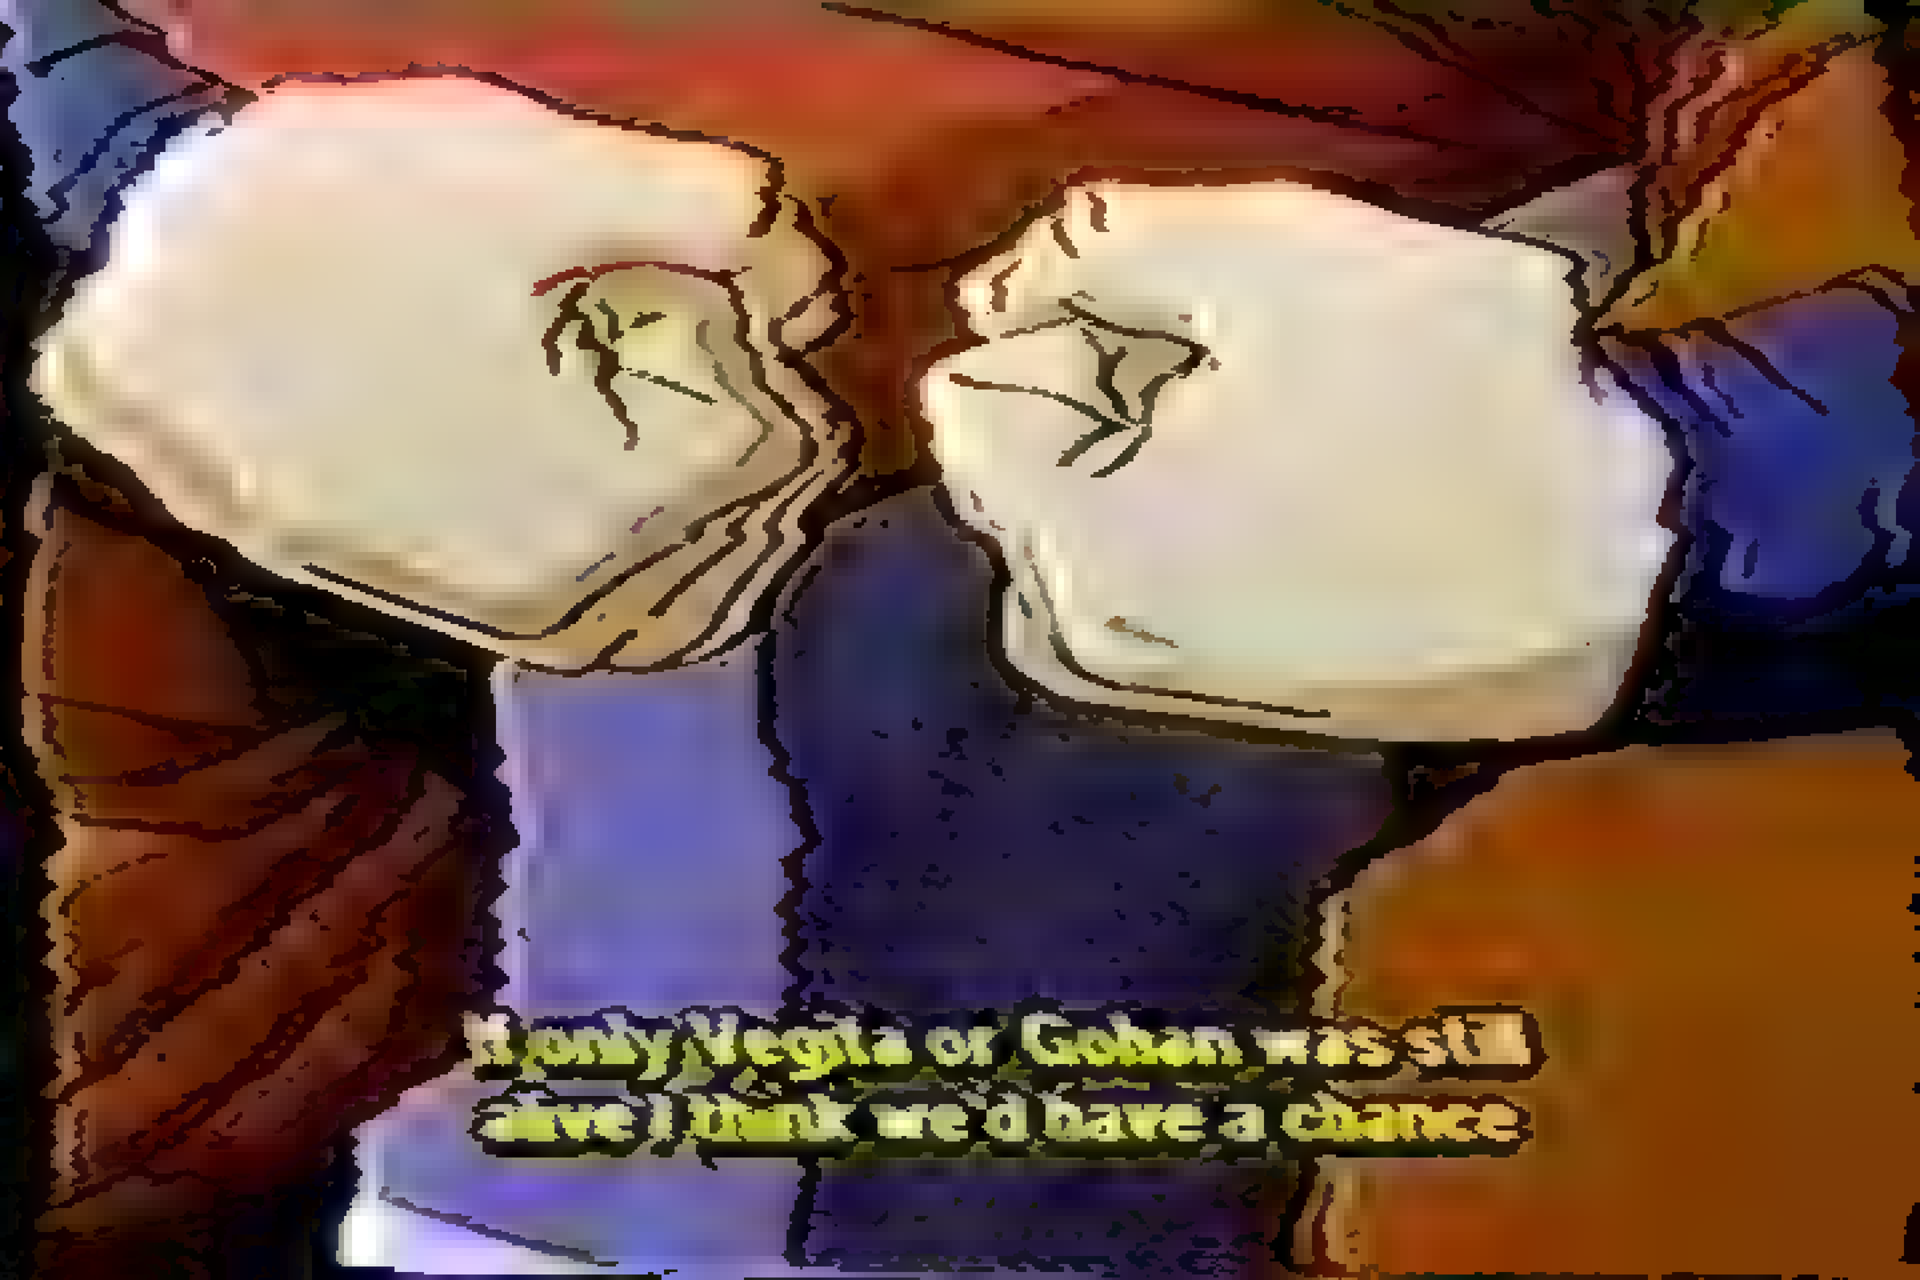

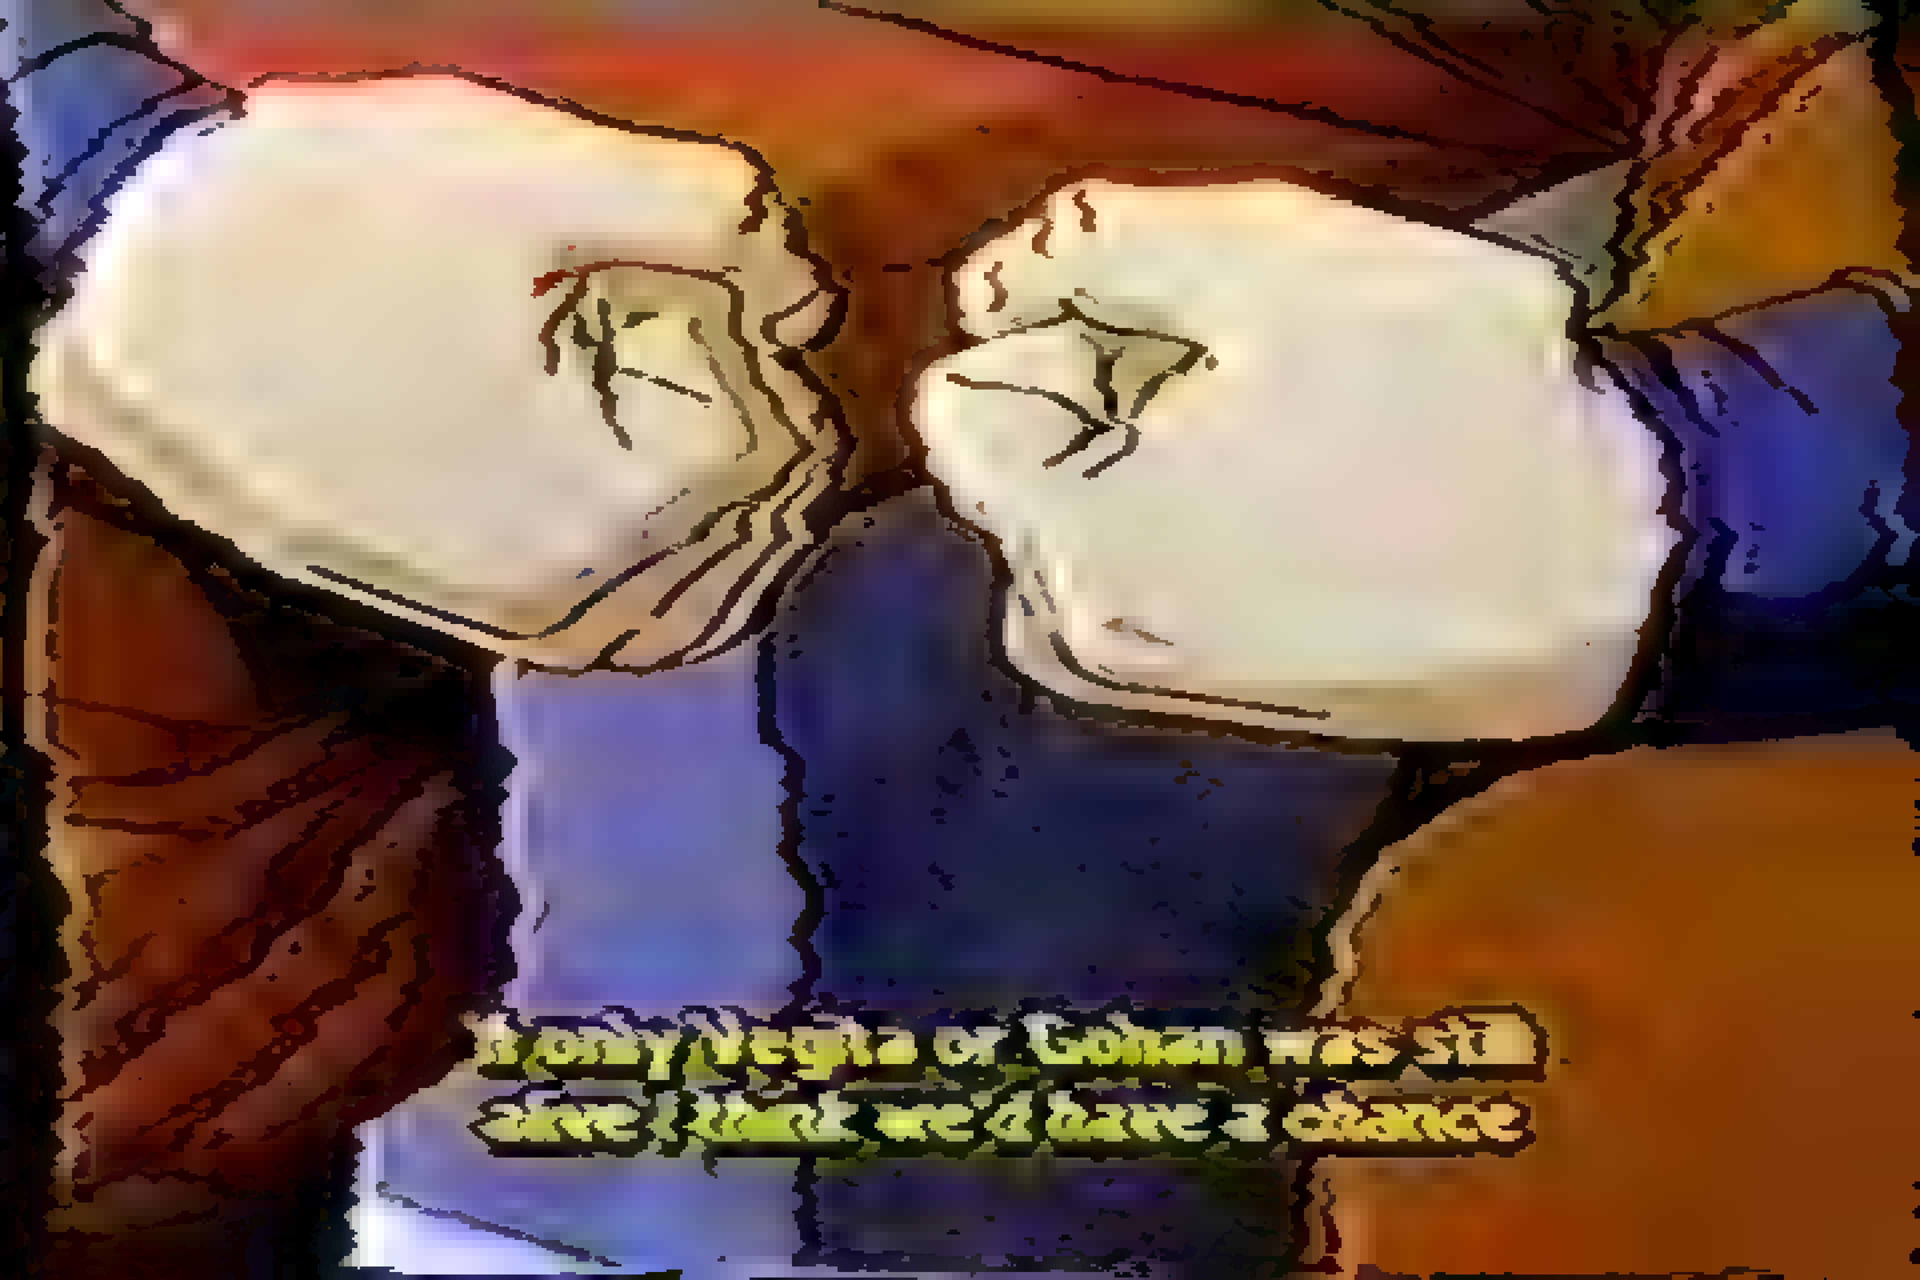

only Vegeta or Gohan was
I think we'd have a chance

If only Vegita or Gohan was still
alive I think we'd have a chance

If only Vegeta or Gohan was still
alive I think we'd have a chance

Attacking him en masse wouldn't work

Attacking him en masse wouldn't work

He's that much stronger

I wanted to using the Fusion

Fu-what's that?

FUSION

You mean joining?

So you know it Dende!

But I heard about it on Namek.

But I heard about it on Namek!

What's the -seijin's special technique?

He taught it to me!

Some Metamoru-seijin I met in
the after-life taught it to me...

It's a technique only people that
are almost equally strong and
about the same size can use

It's a technique only people that
are almost equally strong and
about the same size can use

It's a technique only people that
are almost equally strong and
about the same size can use

A joining technique?

The joined pair have an incredible
power that neither one had before,
they become a whole new person

The joined pair have an incredible
power that neither one had before.
they become a whole new person

The joined pair have an incredible

The joined pair have an incredible

The joined pair have an incredible

they become a whole new person

That's right, Piccolo and the Nail fused

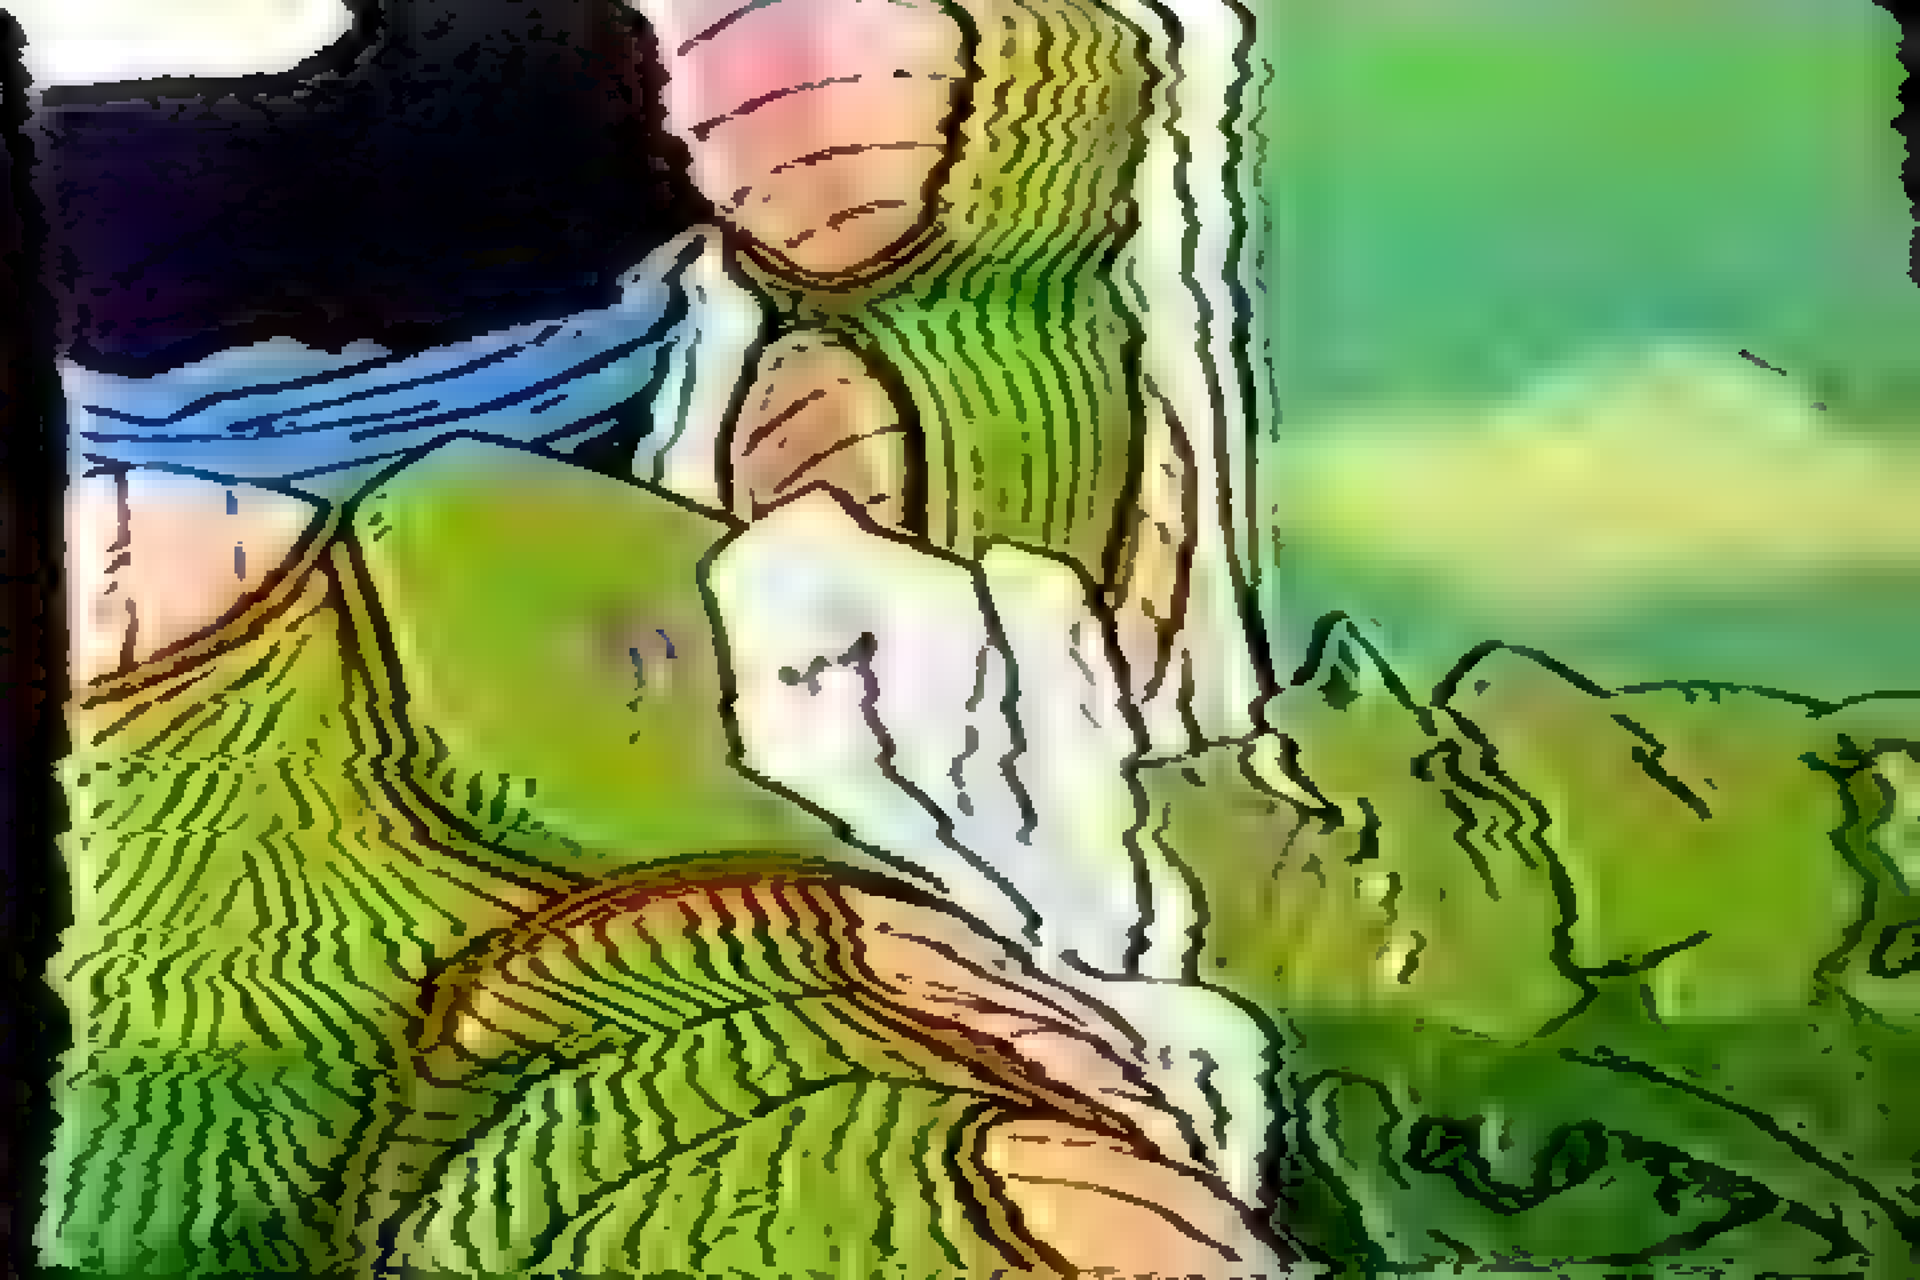

That's right, Piccolo and the Nail fused

Yes we did

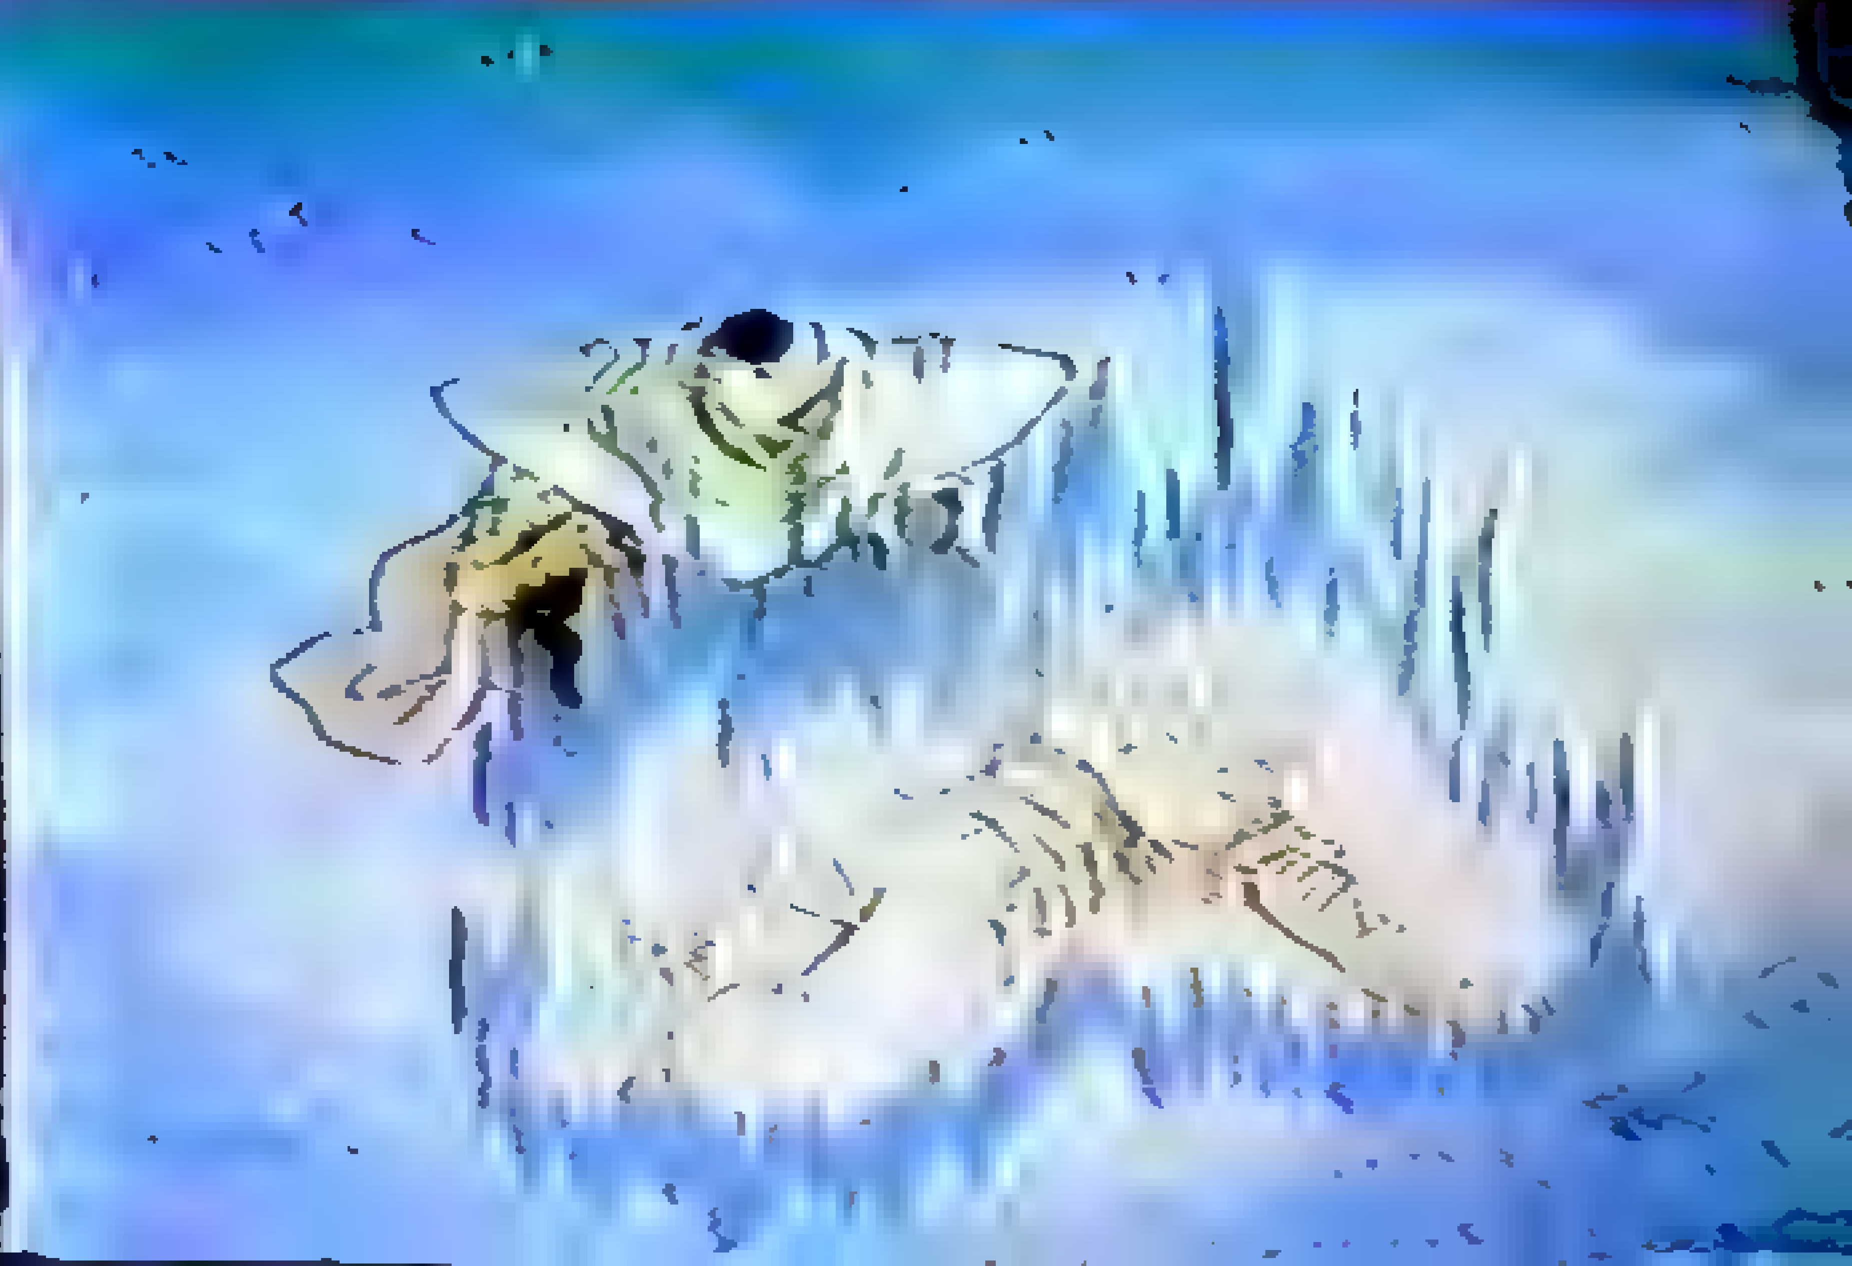

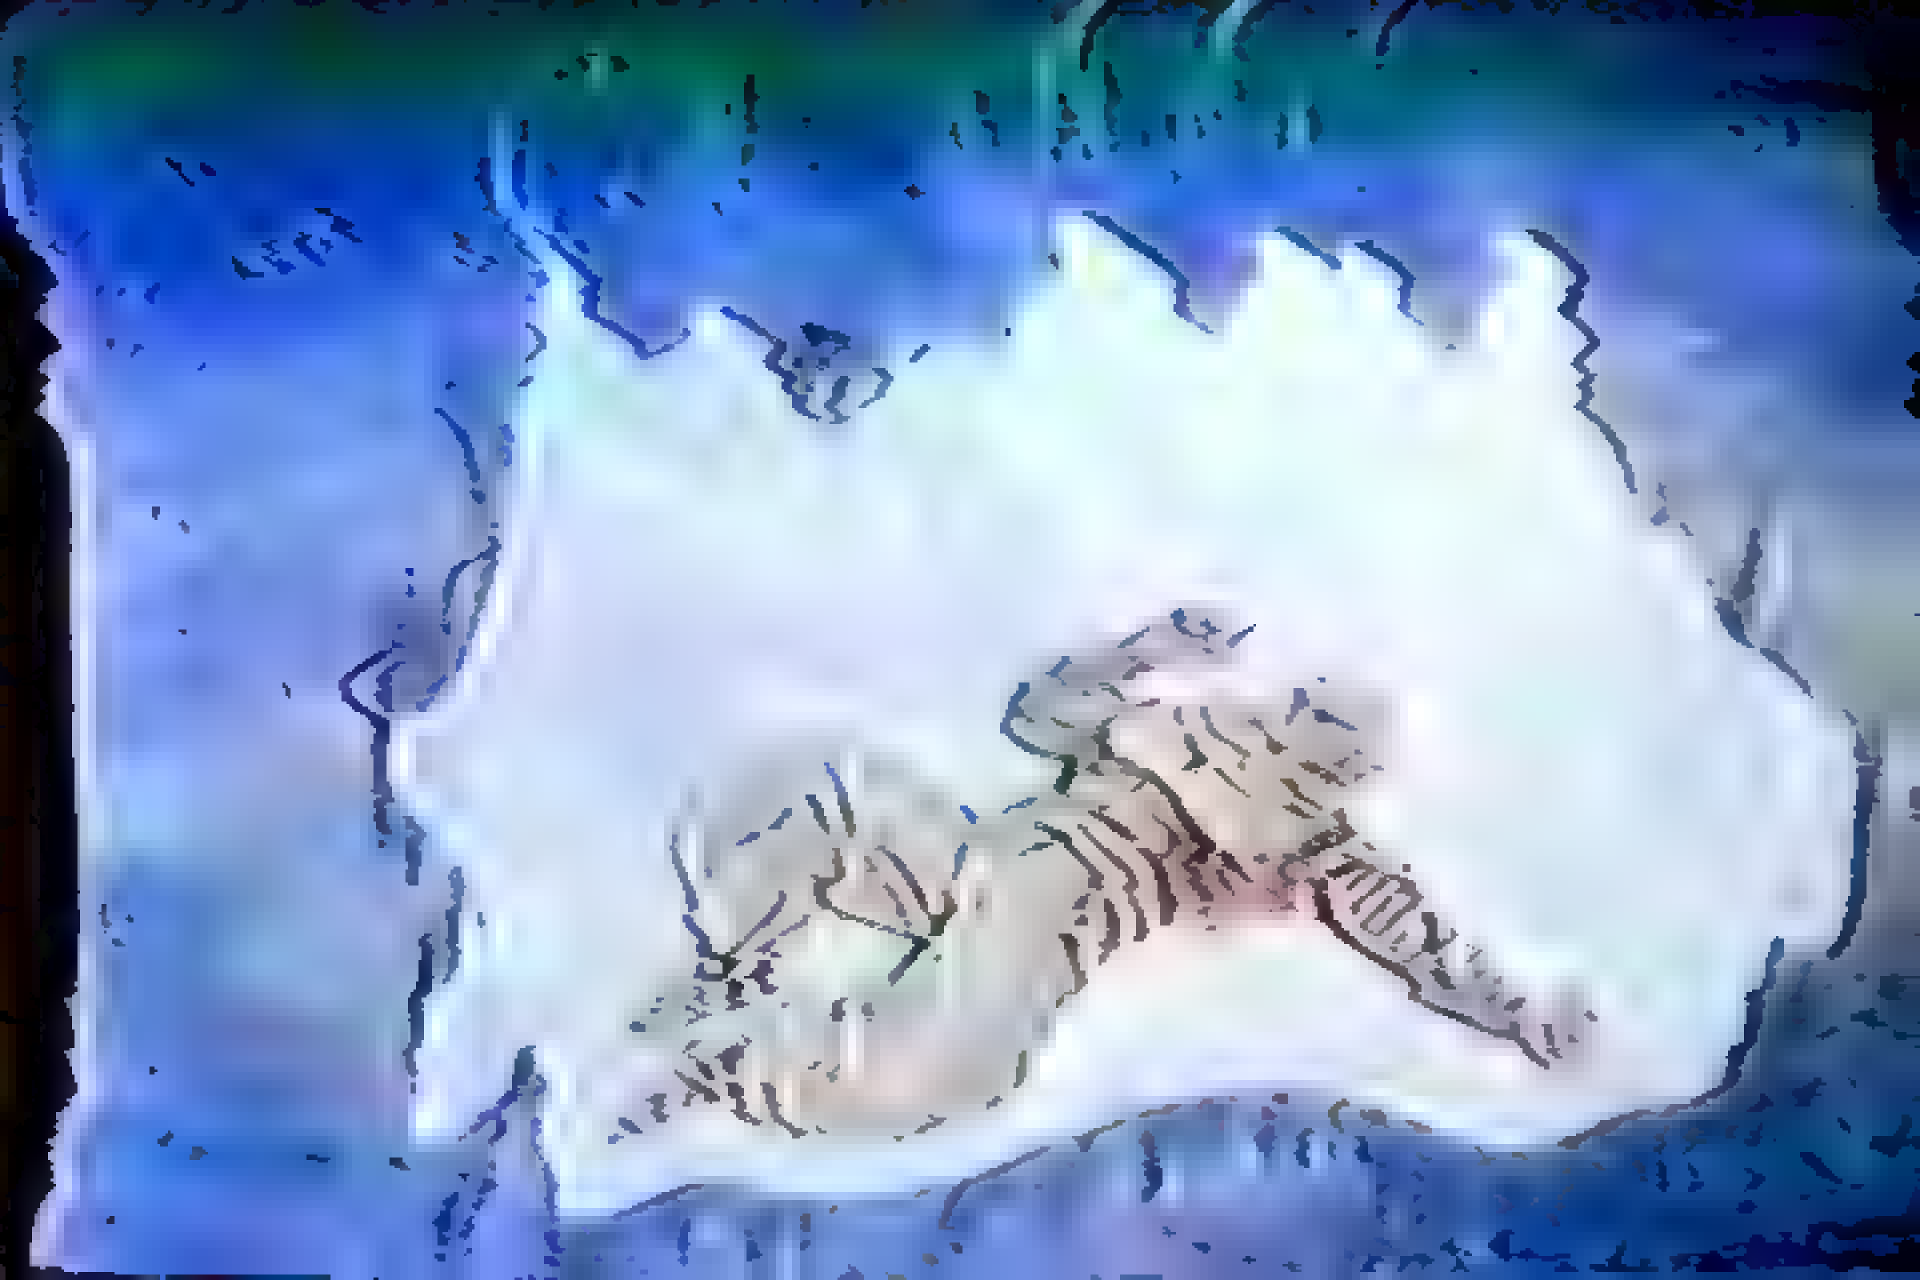

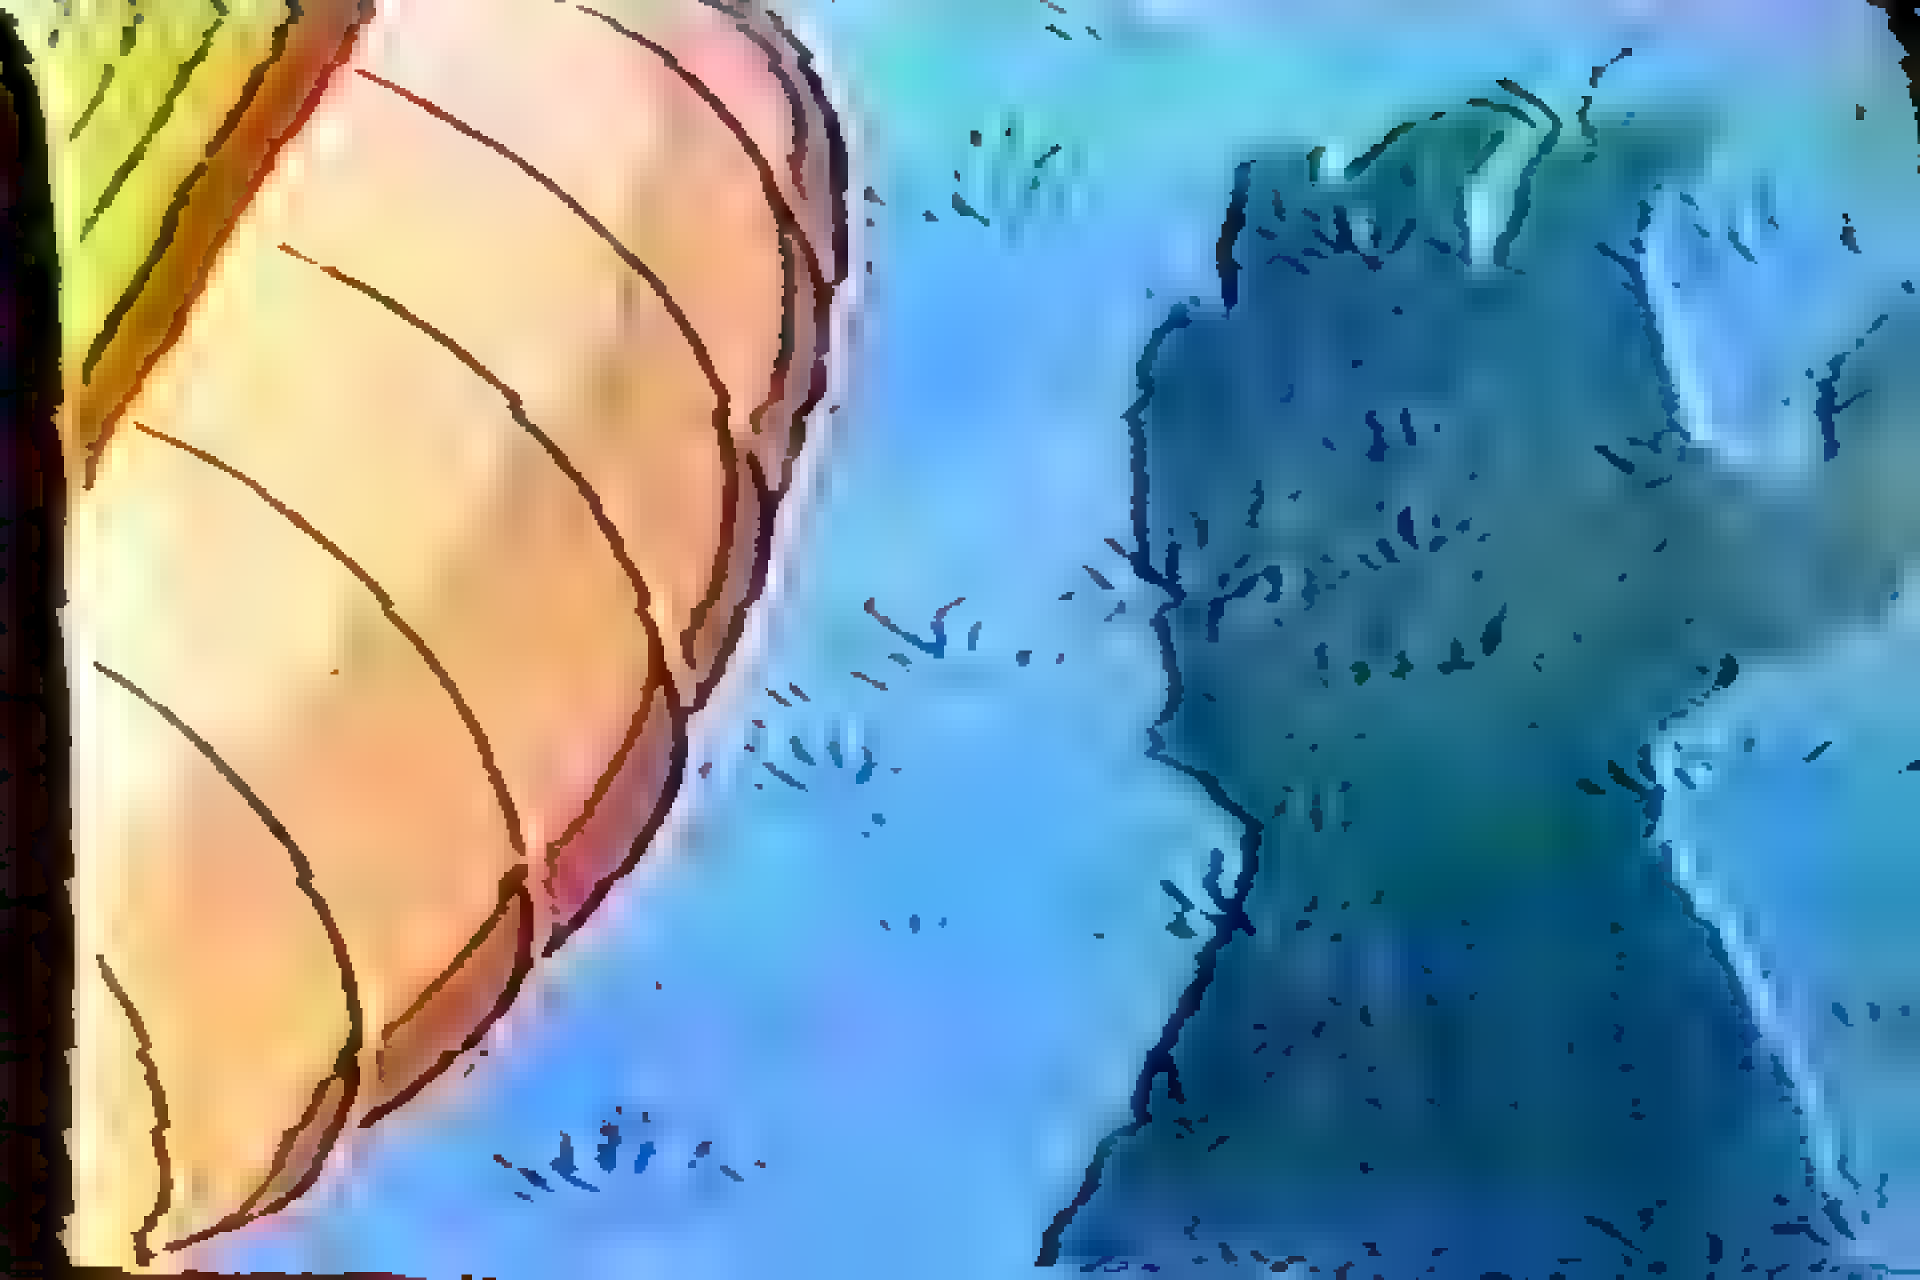

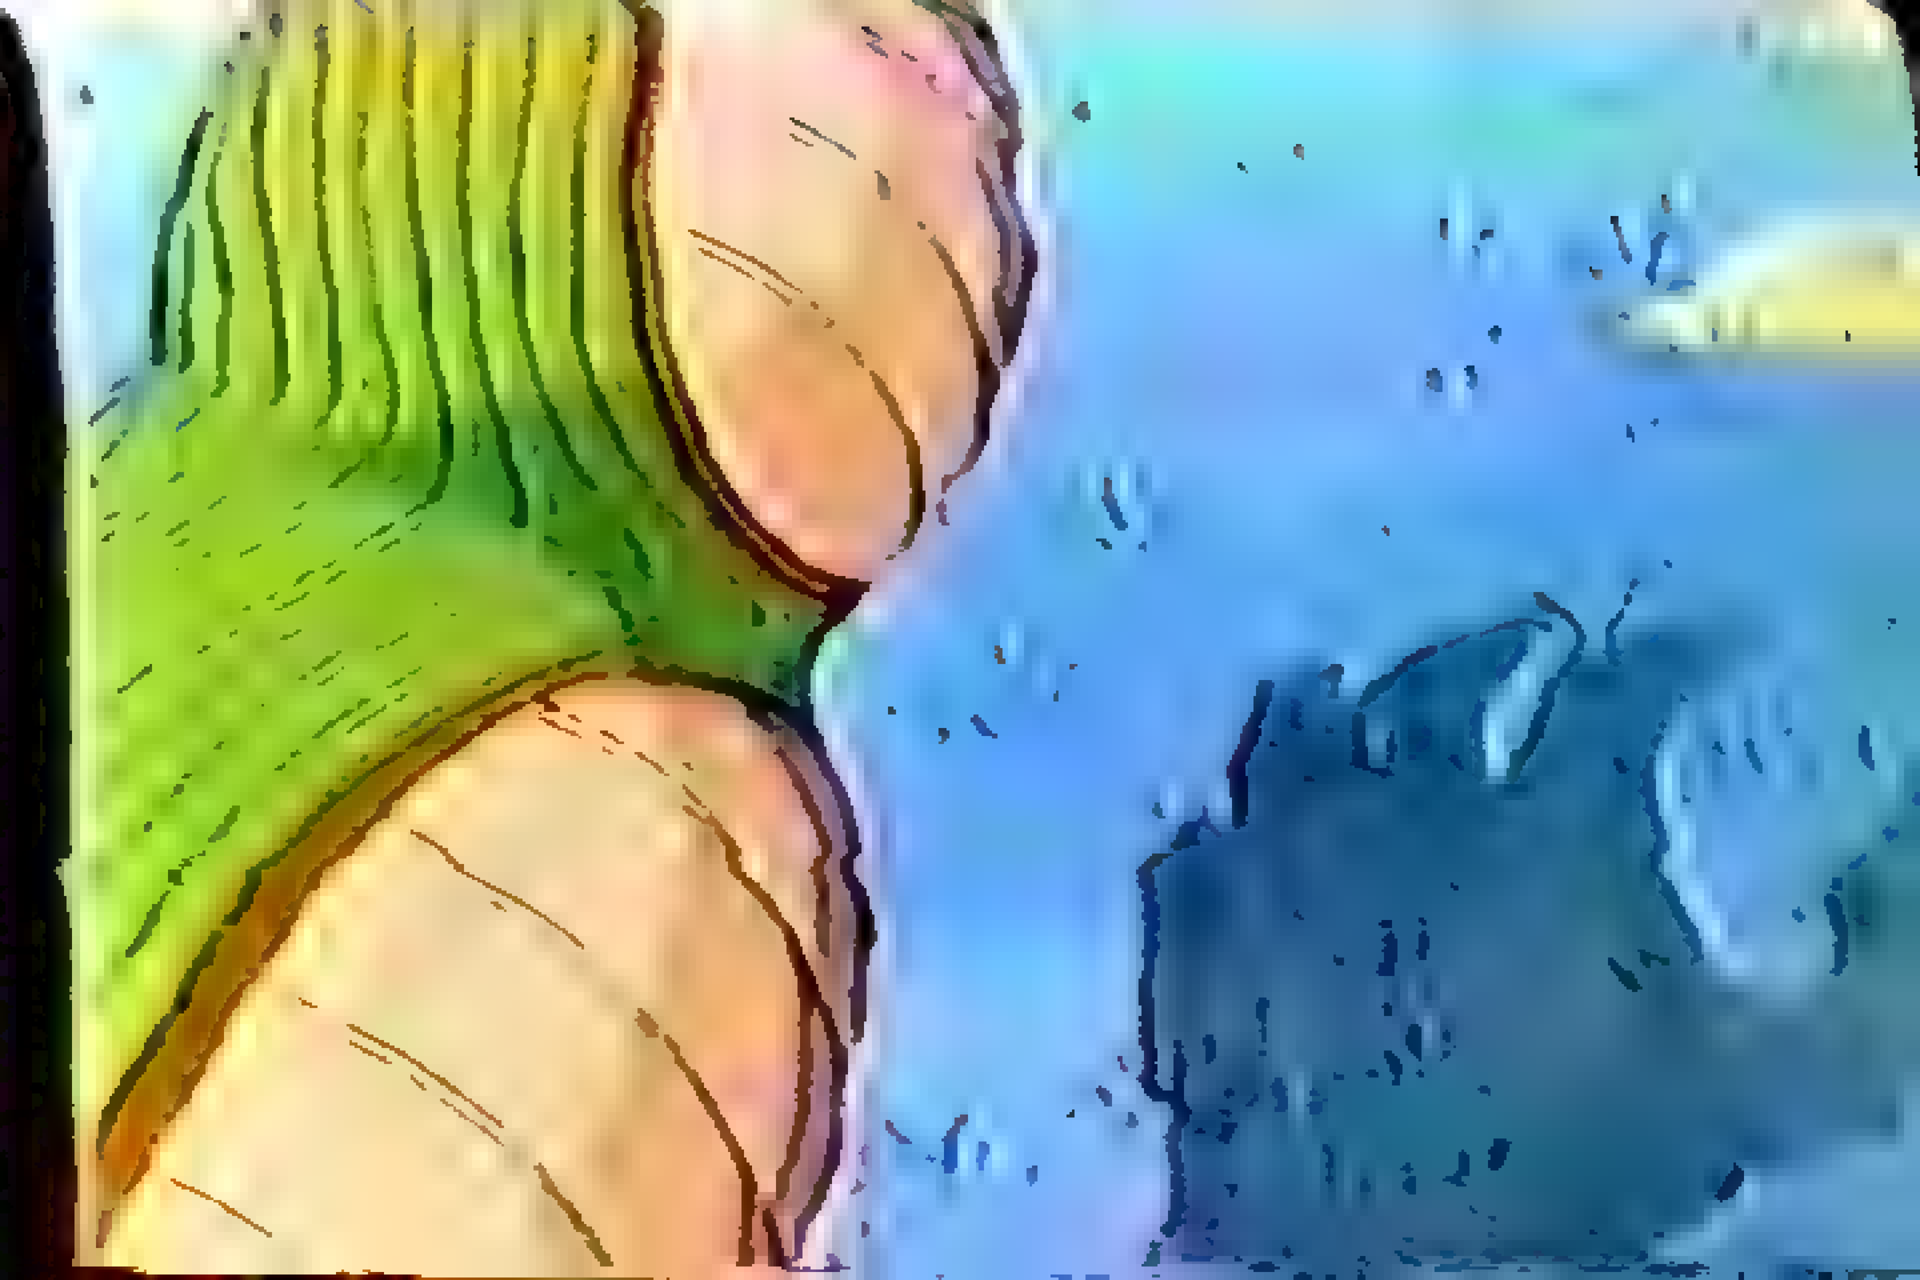

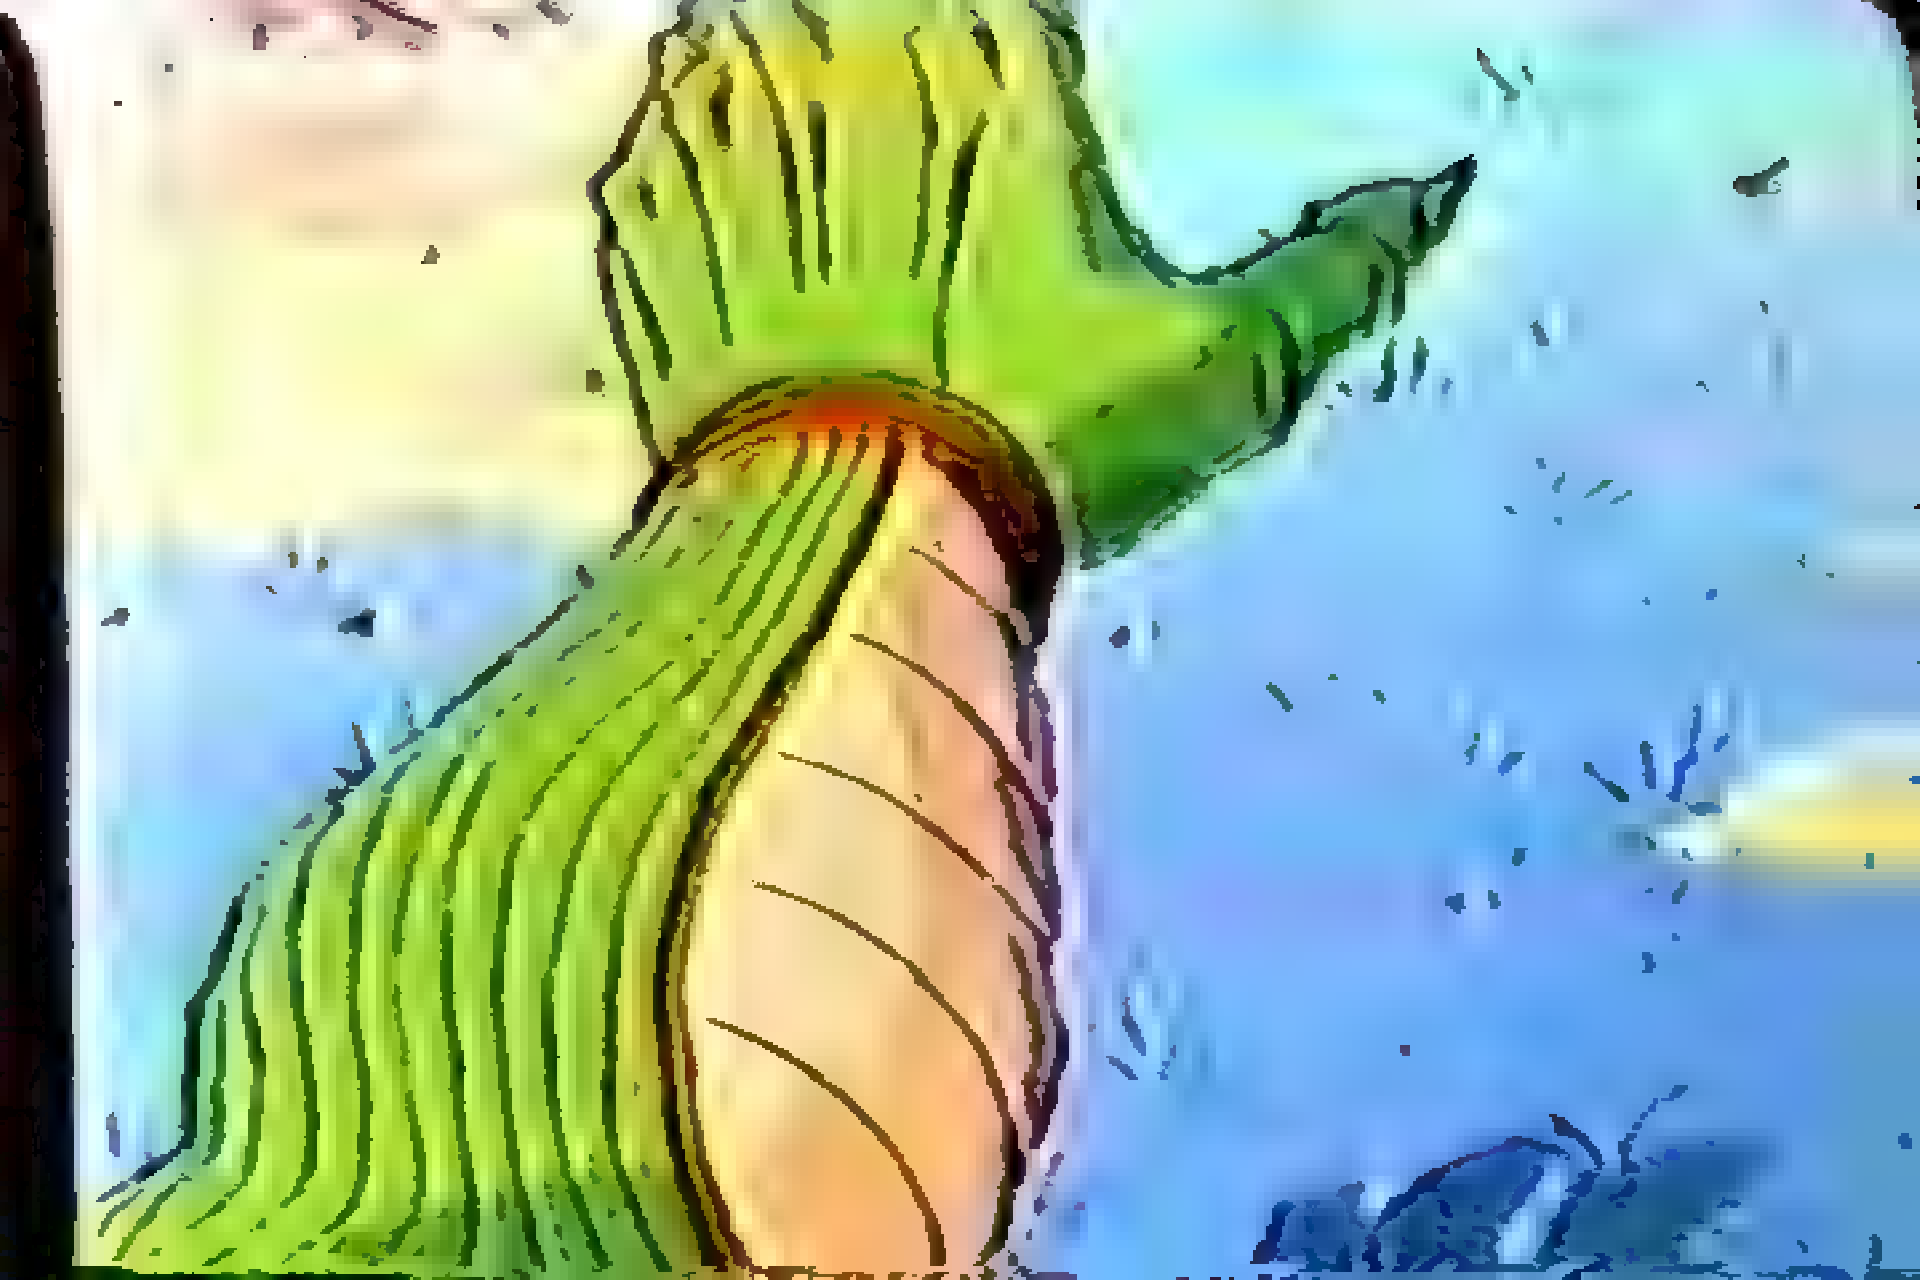

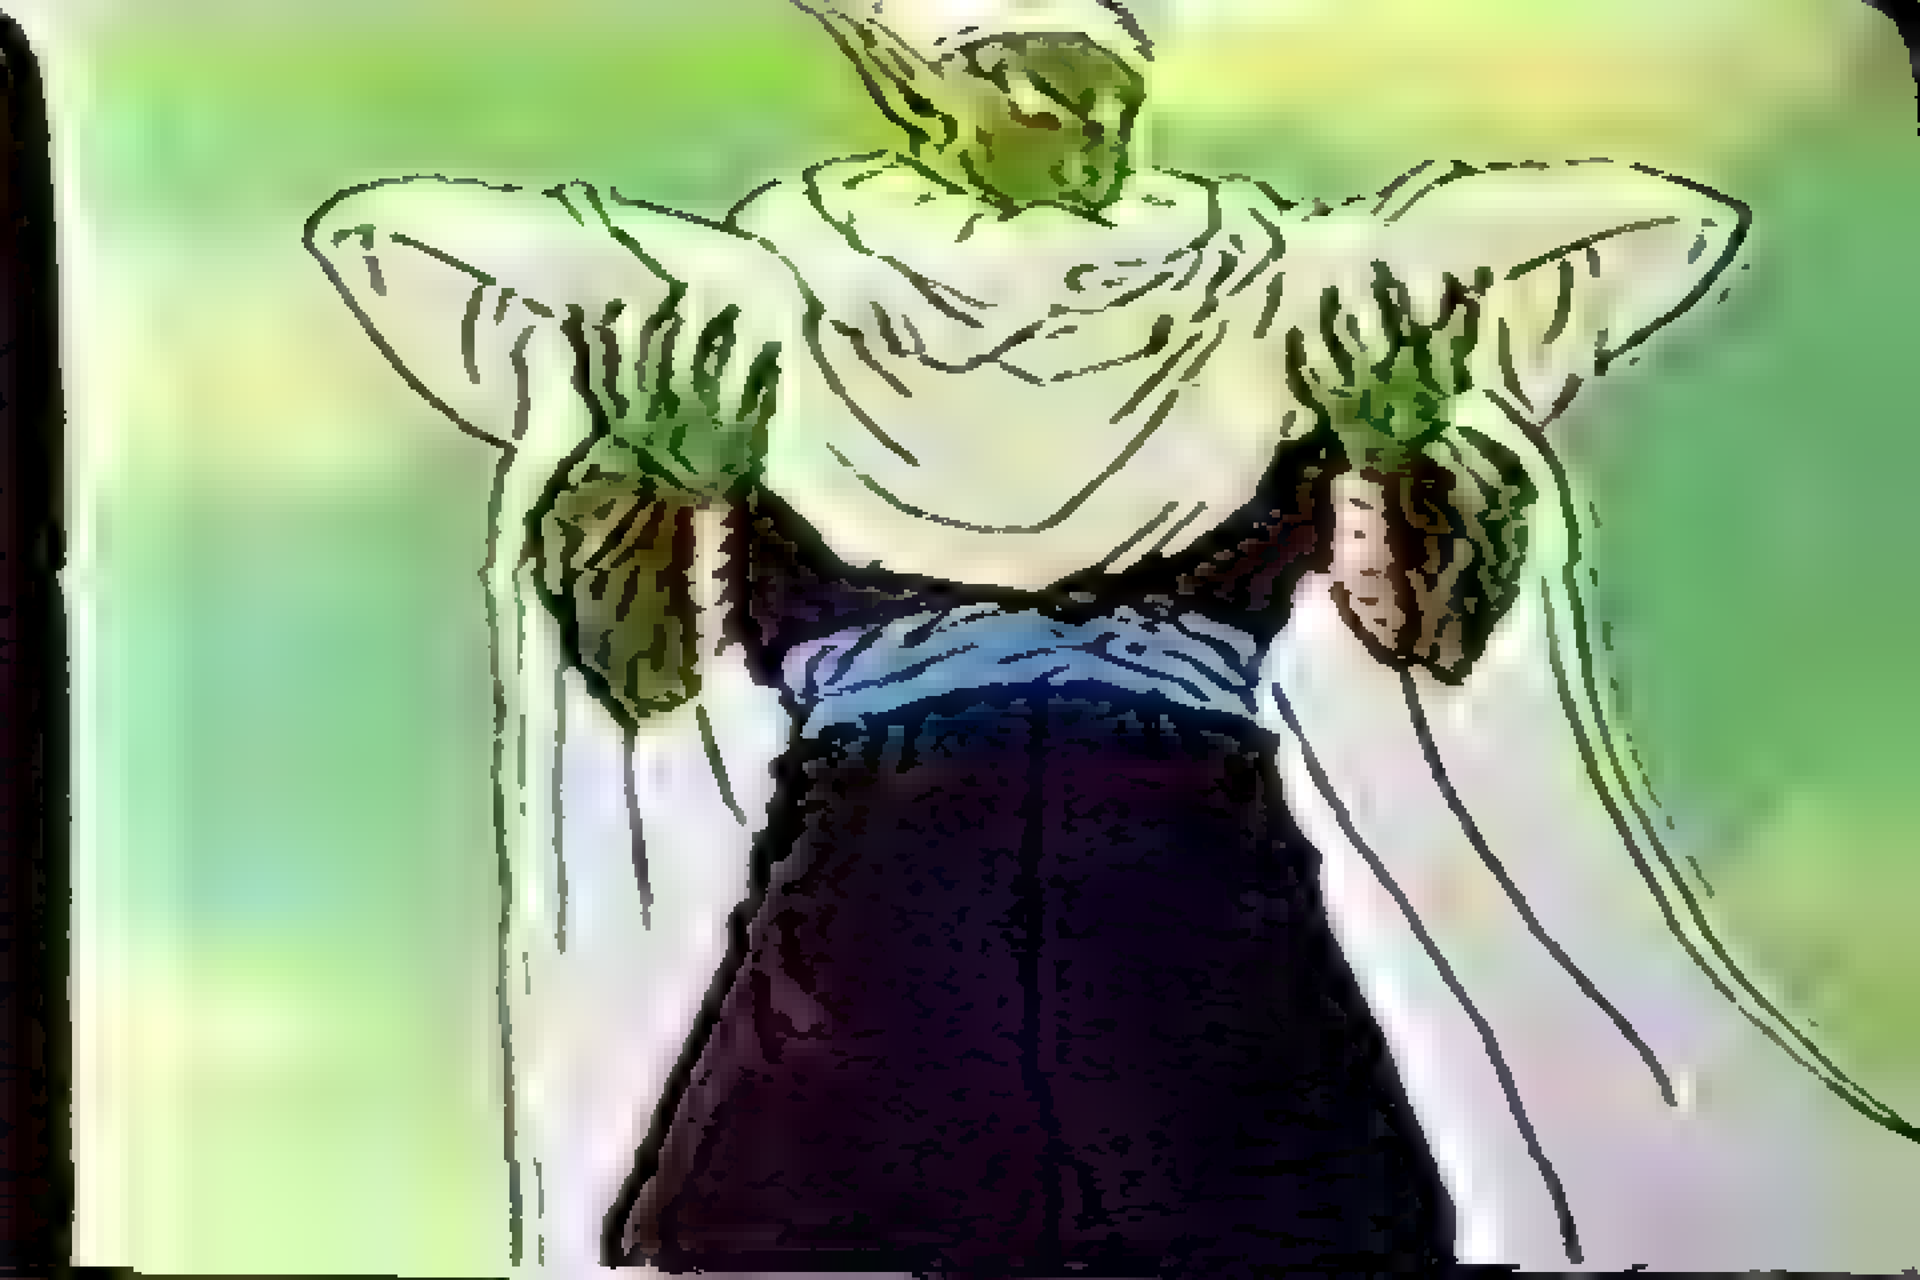

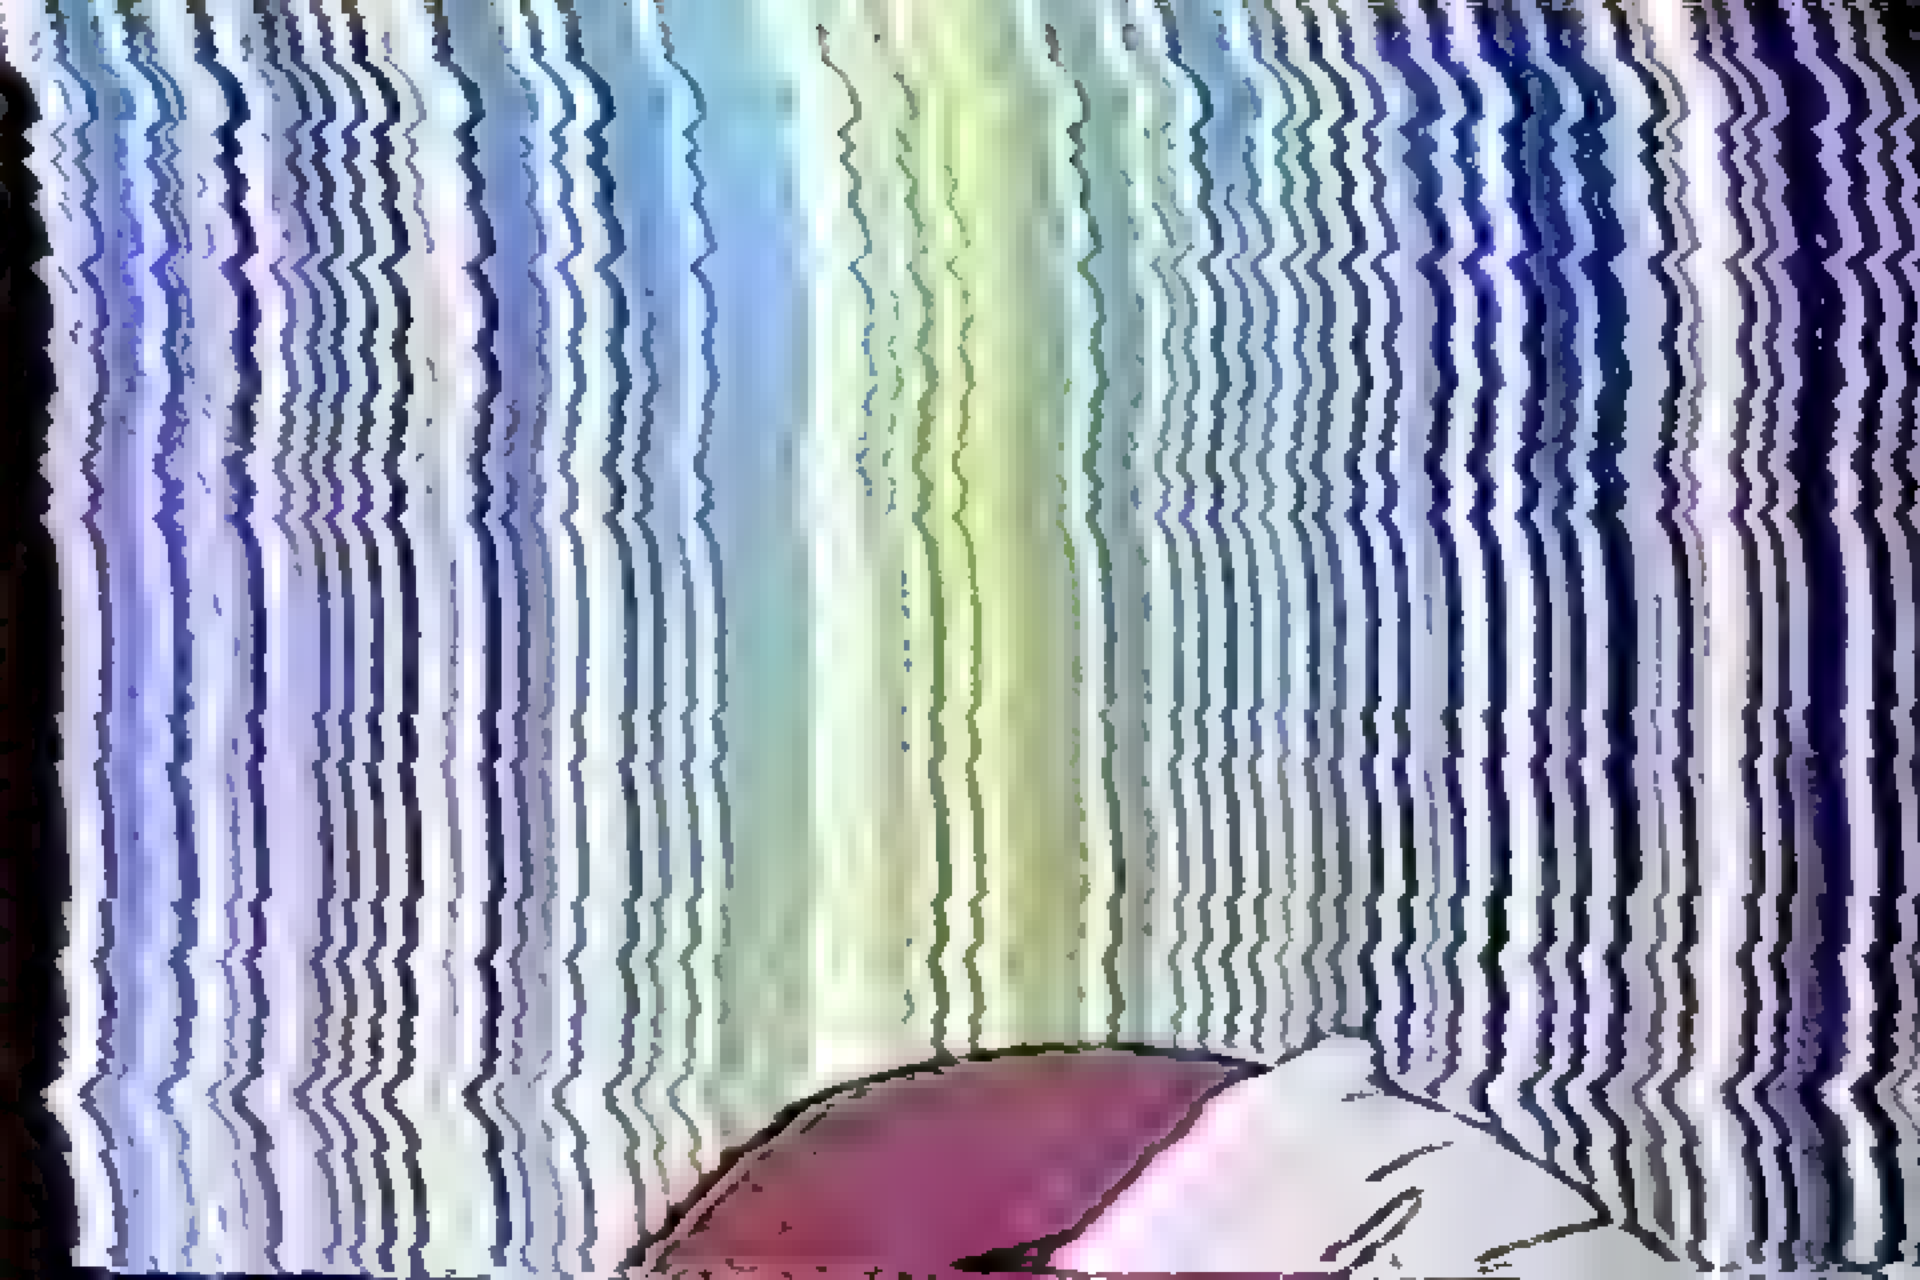

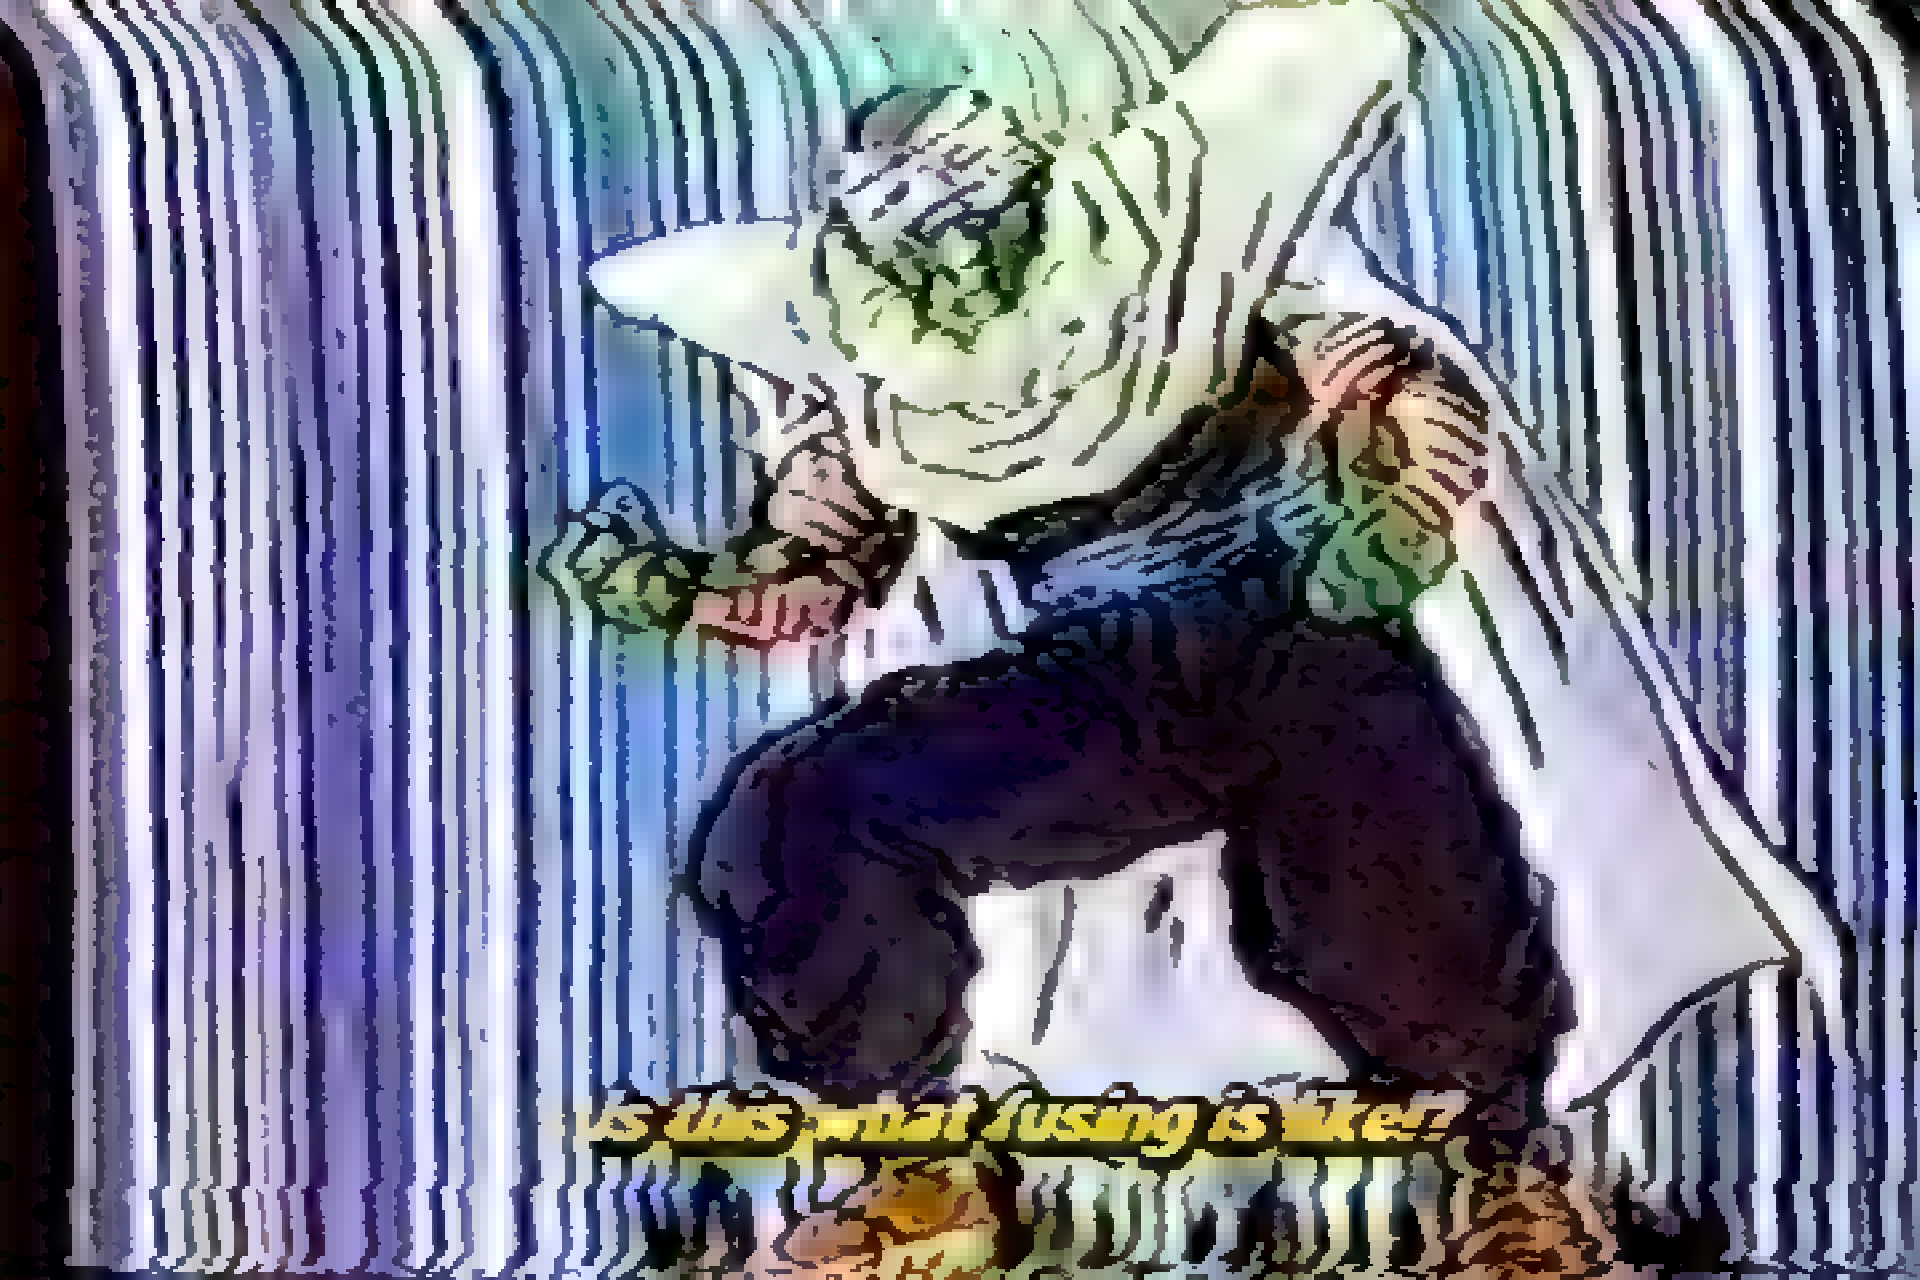

I don't believe it!

This is incredible!

I can't believe how much power I have!!!

Is this what fusing is like?

Is this what fusing is like?

It doesn't matter who my opponent is, there's no way I can lose!

It doesn't matter who my opponent
is, there's no way I can lose!

I have gained ultimate power!

I have gained ultimate power!

Joining is incredible, but
Fusion is even more powerful

Joining is incredible, but
Fusion is even more powerful

Joining is incredible, but
Fusion is even more powerful

The Natamoru-seijn that taught it
to me were pretty weak and quiet.

The Natamoru-seijn that taught it

The Natamoru-seijn that taught it

But after they used the Fusion, they
transformed into an incredible warrior!

But after they used the Fusion, they
transformed into an incredible warrior!

I understand what you're saying

Just by me and Nail joining, I power ed
up mor e than I could imagine

So if Vegita or Gohan were still
alive you could Fuse with them...

So if Vegita or Gohan were still
alive you could fuse with them...

You'd become an incredible
warrior and defeat Majin Buu

You'd become an incredible
warrior and defeat Majin Buu

It took me about a week to learn the technique

It took me about a week to learn the technique

So even if Vegeta or Gohan was alive,
it still might have been impossible to
teach them the technique

So even if Vegita or Gohan was alive,
it still might have been impossible to

So even if Vegita or Gohan was alive,
it still might have been impossible to

I've only got one day on the Earth

There was no one like me in the after-life

That won't work...

That's a great idea Mr. Popo!

We can do that!

Way to go, Mr. Popo!

Gokou, will you have enough time to...

I'm going to teach the kids the Fusion as long

Yahoo! We have hope now!

Those kids might be able to pull this off!

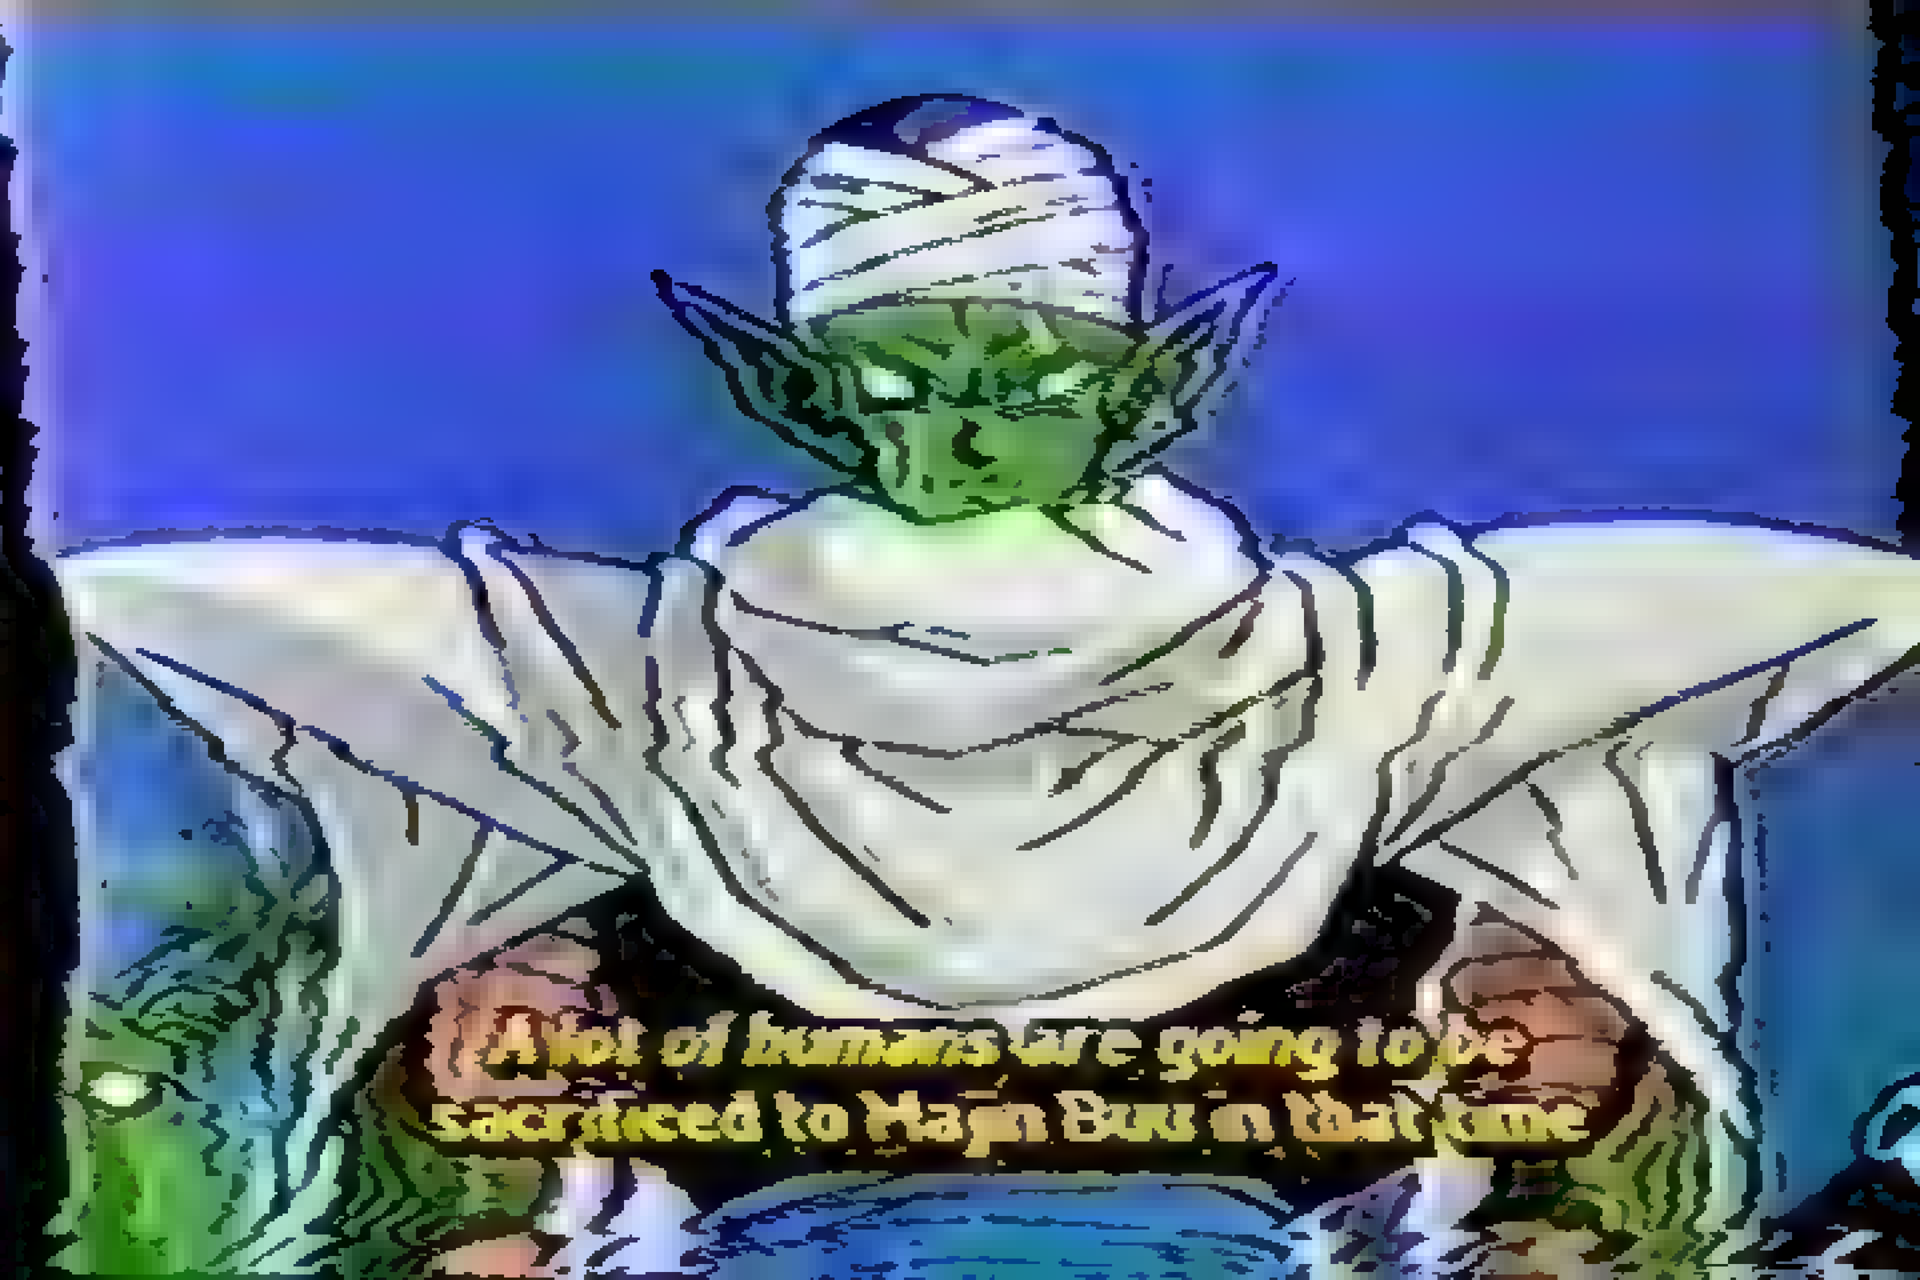

It seems like it would take a long
time for Trunks and Goten to
master the Fusion technique...

It seems like it would take a long
time for Trunks and Goten to
master the Fusion technique...

A lot of humans are going to be
sacrificed to Majin Buu in that time

A lot of humans are going to be
sacrificed to Majin Buu in that time

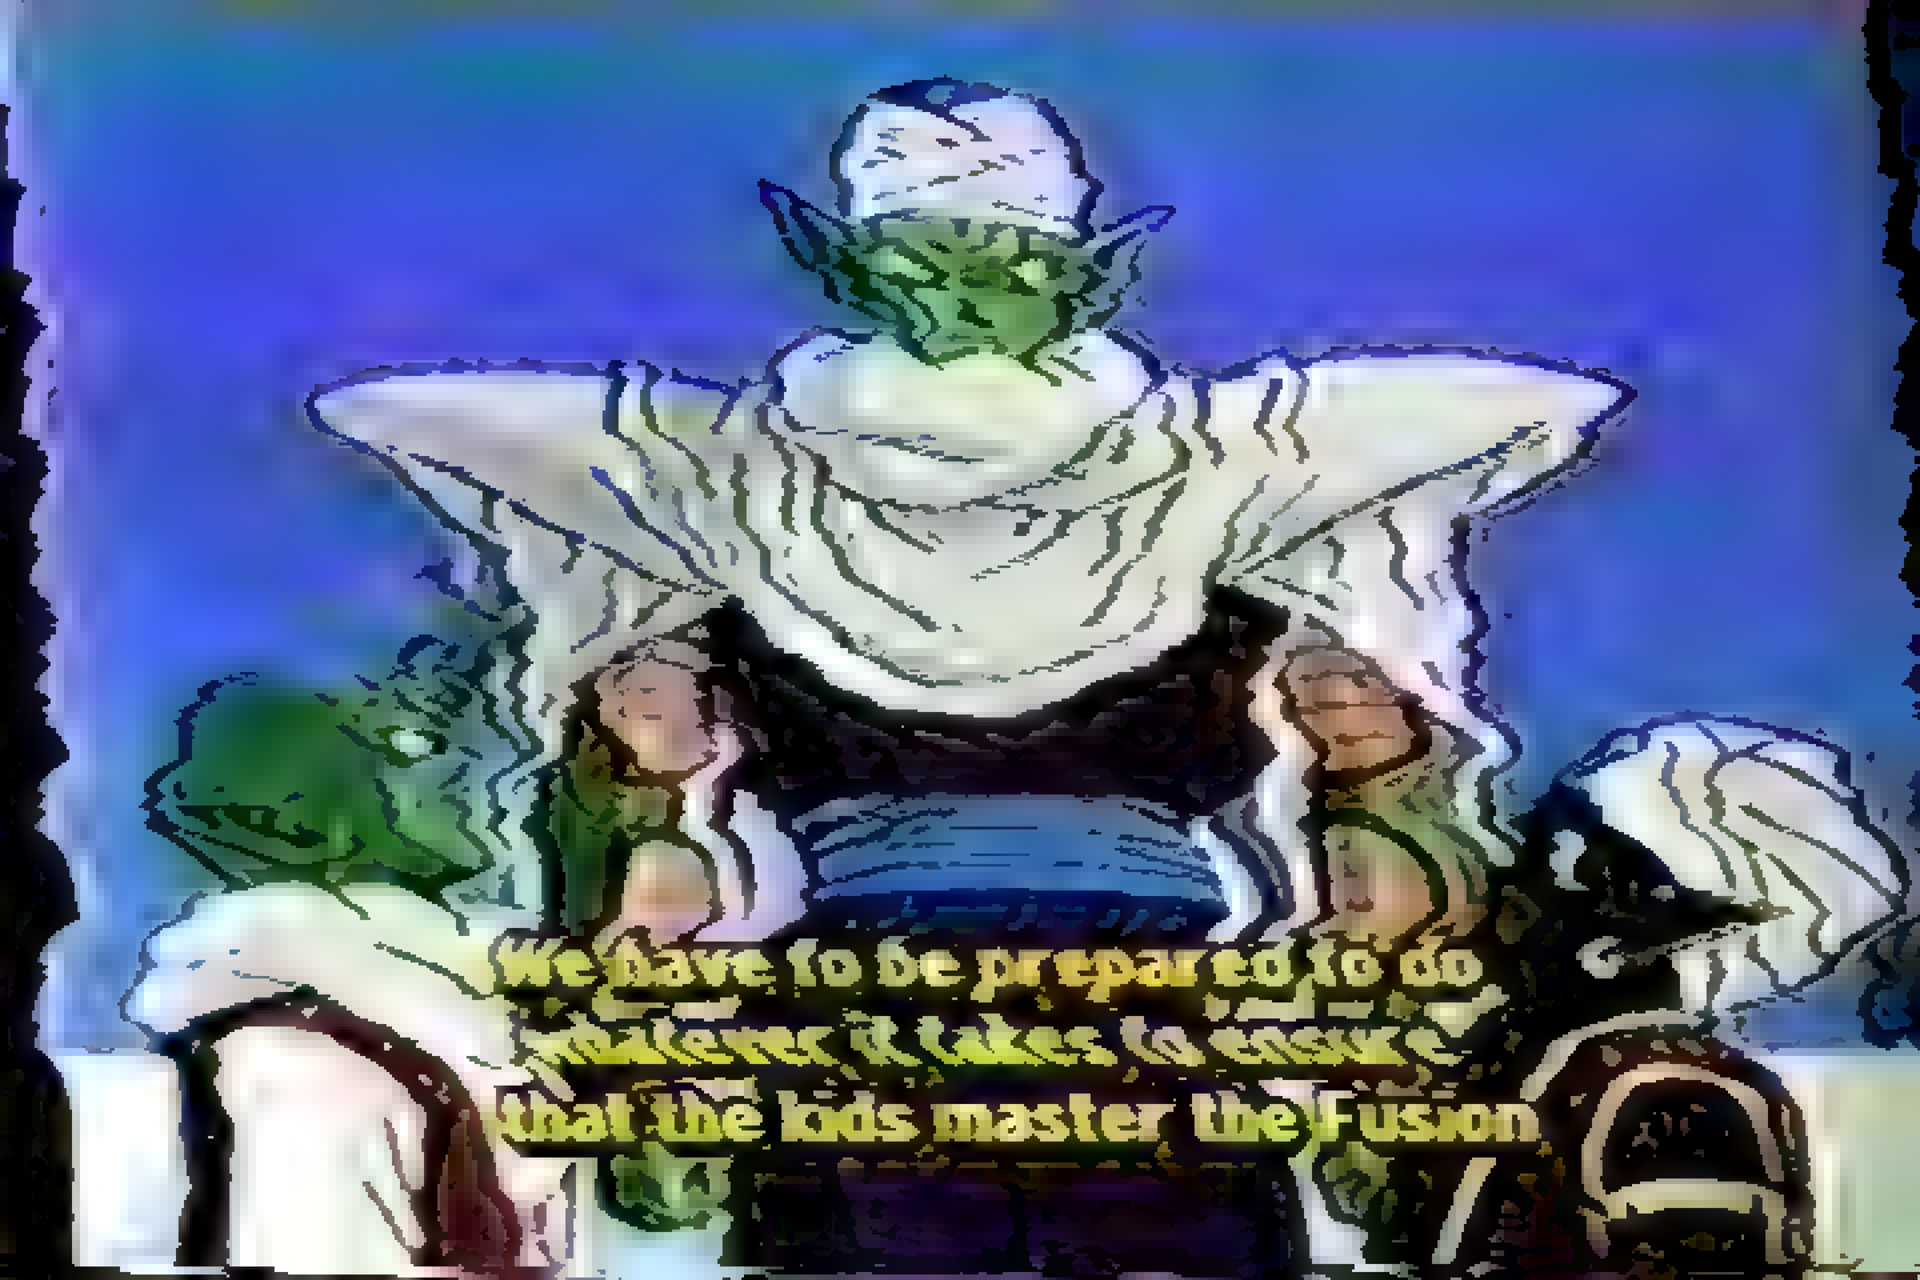

In fact, all of humanity, maybe even the entire planet might be destroyed.

In fact, all of humanity, maybe even the

That's our gamble, are you
willing to take the risk?

We have to be prepared to do
